

Patches are “Sew-On” Patches, meaning they must be sewn on the item by the customer. Patches, can be a way to keep growing show team members in logoed apparel at the livestock show

When a business is headed to a convention, a patch can easily be sewn on to a tote bag

Using a name patch as a zipper pull/key ring on the gym bag, your personal bag can be spotted very easily.

An award patch can be given out when a level is made.

Example: 25 straight shoots are made while shooting.
